

# Proper Lid Handling for Avondale Urns

## OPENING THE LID

- Use *light* pressure when turning lid
- **DO NOT PULL UP** on the lid when opening
- Using heavy pulling pressure may cause unevenness and stripping of threads

# Proper Lid Handling for Avondale Urns

## CLOSING THE LID

- Use *light* pressure when turning lid
- **DO NOT PUSH DOWN** on the lid when closing
- Using heavy pushing pressure may cause unevenness and stripping of threads
