

## Embalming the Edematous Case

### Session Highlights

Licensed funeral director, embalmer, and Pierce Chemical sales representative, Rick Rork, returned to the WilbertEDU stage and presented valuable solutions for a challenge faced by all embalmers: Edema. Rick explained edema and how it presents problems including preservation and viewability. He then went on to offer historical and modern treatments, various chemicals available, and many other embalming considerations. We hope to see you at an upcoming WilbertEDU webinar.
