

The Value of a Clinical Case Report in Embalming Litigation Cases

Session Highlights

Jzyk Ennis gave a tremendous amount of valuable information during WilbertEDU's **The Value of a Clinical Case Report in Embalming Litigation Cases**. Much of the information focused on getting the paperwork right and the high level of ethical duty embalmers are charged with. Case Report documentation is key, and Jzyk drove it home. Together with his actual case studies and examples of both good and bad reporting, every attendee received a great hour of training and CEU credit.
